NOTIFICATION

Adoption of the AICTE model curriculum for BBA and BCA program by the University from academic year 2025-26

This is for information of all concerned that appropriate authority of the University has approved that the AICTE model curriculum for BBA and BCA program are adopted by the University from the academic session 2025-26. Copies of the syllabus are uploaded in the University website for ready reference.

This is based on the online meeting with the Principals and OICs of the colleges concerned on 12.09.25 and subsequent feedback / opinion received. Based on the queries received, the following two matters are clarified.

1. Indian Knowledge System^ - A specific course will be chosen from the list available and would be shown in the enrolment panel. This could be IKS-IV: Indian Science, Engineering and Technology (Past, Present and Future) OR IKS-V: Indian Town Planning and Architecture. Alternately this could also be offered through MOOCs (Swayam) courses if available and enrolment is possible.

2. Additional Course - Indian or Foreign Language (1-1-0)) [optional course]* - This will be an optional course and to be taken care by the colleges concerned. If opted, colleges would assess and certify to the individual students. This will not be included in University Grade Card.

However, minor modifications, if required, during implementation of the syllabus of the two programs based on expert feedback/ requirements would be made.

All concerned are requested to do the needful accordingly.

The detailed Syllabus will be Published shortly.
